Neil Kiran Surjiani

Building things which actually matter | Musician

surjianineil@gmail.com
Portfolio | LinkedIn | GitHub

SUMMARY

Passionate about coding, building and entrepreneurship, and heading into computer science. A student builder with **1,000+ contributions** on GitHub in the past year as of October 2026, shipping real products and solving real-world problems I face in daily life. I love music. I am certified by Trinity College London in acoustic guitar and am a music producer as well. I am also a competitive badminton player.

BUILDER

KreatorAI **(core platform built; launching and scaling it next)**
kreatoraistudio.com

An entire social media workflow that takes you from idea to publish across platforms, all in a single process.

- **Create:** content ideas, scripts, hooks.
- **Produce:** complete end-to-end AI videos.
- **Edit:** AI timeline video editing powered by Director.
- **Polish:** styles, captions.
- **Publish:** to any social platform available.

Apex Ventures

apexvens.vercel.app

- Built 10+ projects solving real-world problems I face in daily life, across various niches and topics.
- **Includes:** TripWise, NutriSense, FolioAI, EVMate, InboxOS, AirFitness, AirWheel, UniPilot, ZeroScroll, Crescendo, Drape.
- **Skills:** Next.js, React, TypeScript, Python, Flutter, FastAPI, Supabase, Vercel, OpenAI API, Gemini AI, OpenCV, MediaPipe.

EDUCATION

Std 10 ICSE Board Examinations

May 2025

- Scored **96.4%**.
- Scored **100/100 in Mathematics**.
- **Top 0.1%** of successful candidates in Mathematics (CISCE Certificate of Merit).
- Received the **Principal's Award** for scoring 90%+.
- Topped the school and board in History with 100/100.

MUSIC
